Management Discussion and Analysis

Macroeconomic Review:

The global macroeconomic landscape is currently going through a rough and uncertain terrain characterized by weak growth of world output. Even in these trying and uncertain circumstances, India's growth story has remained largely positive on the strength of domestic economy. According to the advance estimates made available by the Central Statistical Organisation (CSO), the country will have succeeded in achieving a robust and steady pace of economic growth in 2015-16 as it did in 2014-15. Real Gross Value Added (GVA) is expected to grow by 7.3% in 2015-16 versus 7.1% in 2014-15. Importantly, there has been a revival in industrial output from 5.9% growth in 2014-15 to 7.3% in 2015-16, driven primarily by a recovery in manufacturing, which clocked 9.5% growth in 2015-16 compared to 5.5% in 2014-15.

Additionally, its other macroeconomic parameters like inflation, fiscal deficit and current account Balance have exhibited distinct signs of improvement. Wholesale price inflation has been in negative territory for more than a year and the all-important consumer prices inflation has declined to nearly half of what it was a few years ago. As Chart B shows, compared to 10.9% CPI inflation in 2013, the level was down to 5.9% in 2015. With inflation under control, the Reserve Bank of India (RBI) has eased monetary policy and reduced the benchmark repo rate in three installments by a total of 100 basis points. Consequently, lending rates have reduced marginally. The base rate for scheduled commercial banks, which was 10.25 % in 2013-14 has reduced to 9.7% by the end of Q3, 2015-16. Having said so, interest rates need to come down further to really bolster investments.

Opportunities and Threats:

Various factors affecting the business and economic environment may turn into an opportunity or challenge for the Company.

Outlook:

Over the past two years, the domestic economic recovery has been gradual and the global economic environment has become challenging. There are uncertainties in respect of certain sectors due to the weak global economic environment, sharp downturn in the commodity cycle, gradual nature of the domestic economic recovery and high leverage.

The operating environment for the Indian corporate sector continued to remain challenging in view of the subdued global scenario, gradual nature of the domestic economic recovery, continued weak corporate investment activity, delays and shortfalls in cash flow generation from investments and high leverage. The decline in commodity prices had an impact on borrowers in commodity-linked sectors.

During fiscal 2016, the government announced several policy measures and new schemes including pension and insurance schemes and a financial scheme for micro, small and medium enterprises. A scheme to support start-ups was also announced.

Website: www.leenacconsultancy.in

A composite cap on foreign investments was introduced which is applicable across all sectors and has brought different kinds of foreign investments under a single combined limit. Further, the list of economic activities eligible for foreign investment under the automatic route was expanded.

Government in the third week of June'2016 announced FDI liberalisation in nine sectors such as civil aviation, retail and private security services. This was the current government's second round of relaxation in FDI rules.

Moody's said: "The announcement is credit positive because it demonstrates a continuation of reform momentum and paves the way for private investment and a boost in productivity. Additionally, higher FDI inflows will help support India's external financing needs at a time when portfolio flows have moderated."

Thus, the domestic and global economic scenario is volatile in the short term however the long term growth prospects of the economy as a whole continue to be positive.

Risks and Concerns:

Global economic scenario is volatile and the recent referendum for Britain's exit from EU has added to the short term volatility. The Company evaluates the associated risks while making an investment decision.

Segment-wise Performance:

Since the Company's business activity falls within a single primary business segment and one geographical segment, the segment-wise information is not provided in the standalone financial statements.

Internal Control Systems and their adequacy:

The Company has satisfactory internal control system. The Company has an adequate system of internal controls to ensure accuracy of accounting records, compliance with the applicable laws & regulations.

Financial Performance with respect to Operational Performance:

Revenue from Operations showed a decrease of earnings from Rs. 3,23,390/- to Rs. 3,09,549/-.

Human Resources:

There has been no material development on the Human Resource front during the year. The Company had 2 employees as on March 31, 2016.

INDEPENDENT AUDITORS' REPORT

To The Members of LEENA CONSULTANCY LIMITED

Report on the standalone Financial Statements

We have audited the accompanying standalone financial statements of **LEENA CONSULTANCY LIMITED** ("the company") which comprise the Balance Sheet as at 31st March, 2016, the Statement of Profit and Loss and Cash Flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities ; selection and application of appropriate accounting policies ; making judgments and estimates that are reasonable and prudent ; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our Responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgments, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the company as at 31st March, 2016, and its loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the order"), as amended, issued by the Central Government of India in terms of section 143(11) of the Act, we give in the "Annexure I" a statement on the matters specified in paragraphs 3 and 4 of the said Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that :
 - (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit ;
 - (b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books ;
 - (c) the Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this report are in agreement with the books of account ;

Annexure II referred to in paragraph 2 under "Report on Other Legal and Regulatory Requirements" of our report of even date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **LEENA CONSULTANCY LIMITED** ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

LEENA CONSULTANCY LIMITED

Notes to the Financial Statements - 31st March, 2016

1.1 Corporate information

Leena Consultancy Limited is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956.

1.2 Basis of preparation

The financial statements of the Company are consistently prepared and presented under historical cost convention on an accrual basis in accordance with the generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards specified under section 133 of the Companies Act, 2013 ("the Act") read together with Rule 7 of the Companies (Accounts) Rules, 2014 as well as Prudential Norms on income recognition, asset classification and provisioning issued by RBI. In accordance with first proviso to section 129(1) and clause 6 of the General Instructions given in Schedule III to the Act, the terms used in the enclosed financial statements are in accordance with the Accounting Standards.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III of Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current – non current classification of assets and liabilities.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

Summary of significant accounting policies

1.3 Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, as at the date of financial statements and reported amounts of revenue and expenses during the reporting period. Such estimates are on reasonable and prudent basis taking into account all available information; actual results could differ from estimates. Differences on account of revision of estimates, actual outcome and existing estimates are recognised prospectively once results are known/materialised in accordance with the requirements of the respective accounting standard, as may be applicable.

1.4 Tangible Fixed assets

The company does not have any Fixed Assets

1.5 Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued. If an investment is acquired in exchange for another asset, the acquisition cost of the investment is determined by reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

1.6 Inventories - The Company does not have any Inventories

1.7 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

Dividends

Dividend income is recognized when the company's right to receive dividend is established by the reporting date.

LEENA CONSULANCY LIMITED
NOTES TO ACCOUNTS - 31ST MARCH 2016

1.8

Income taxes

- a) Provision for current tax is made on the basis of taxable profits computed for the current accounting period (reporting period) in accordance with the provisions of Income Tax Act, 1961.
- b) Deferred tax is calculated at the rates and laws that have been enacted or substantively enacted as of the Balance Sheet date and is recognized on timing differences that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets are recognized on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty that sufficient future taxable income will be available against which such deferred tax asset can be realized. Other deferred tax assets are recognised only to the extent there is a reasonable certainty of realization in future. The effect on deferred tax assets and liabilities of change in tax rates is recognized in the profit & loss account in the period of enactment of the change.
- c) The carrying amount of deferred tax assets are reviewed at each reporting date. The company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available
- d) Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.
- e) Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

1.9 **Earnings Per Share**

- a) Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.
- b) For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

1.10 **Provisions**

- a) A provision is recognized when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.
- b) Where the company expects some or all of a provision to be reimbursed, for example under an insurance contract, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain. The expense relating to any provision is presented in the statement of profit and loss net of any reimbursement.

1.11 **Contingent liabilities & Contingent Assets**

- a) Contingent liabilities are disclosed separately by way of note to financial statements after careful evaluation by the management of the facts and legal aspects of the matter involved in the case of
- i. a probable obligation arising from the past event, when it is not probable that an outflow of resources will be required to settle the obligation.
 - ii. a possible obligation, unless the probability of out flow of resources is remote.
- b) Contingent Assets are neither recognised nor disclosed

1.12 **Cash and cash equivalents**

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank, cash in hand, demand deposits with banks and other short-term investments with an original maturity of three months or less.
